Use of this certificate grants ILTS Co. permission to share the final version of manuscript files with journals upon request. ILTS translators and editors make no claim as to the accuracy of the research content or objectives of the author. The text as edited is grammatically correct. The authors have the option to accept or reject suggestions and changes to the document after our editing process is complete and prior to submission to any journal. Thus, this validation process allows journals staff to distinguish changes made to the submitted manuscript after editing. If you have any questions or concerns, please contact ILTS CEO at mazizijam@umz.ac.ir

ILTS Co. translators and editors provide editing, writing, and translation services to researchers and publishers in Iran. Our stringent quality control and experienced PhD editors provide the highest quality editing services available. We do not employ students or non-scientific-degreed editors. To learn more about our premier scientific editing services, please visit our website at www.ilts.ir
