To whom it may concern:

I am writing to recommend the services of Mr. Jamshid Samani, President and CEO of Kashaneh Financial Real Estate. We are a mid-size company with international offices in Dubai and Turkey. Because we had such a good experience with Mr. Jamshid Samani, we give our recommendation for all commercial real estate services Kashaneh Financial provides. He has not let us down and was a great asset to our team. Since we first worked with Kashaneh Financial Real Estate, we have leased our new offices at Ajmar Road, Dubai and we believe we received remarkable service and an even better lease arrangement that exceeded our expectations.

We have found in general that our strong commitment to our business has been richly rewarded by landing this new lease and we look forward to expanding our organization with the commercial real estate services he provides.

In our experience, Kashaneh Financial Real Estate lives up to its name. They supply us with reliable commercial real estate services and we have found them to be honest and reliable. I really count on Mr. Jamshid Samani to keep me informed about what is going on in commercial real estate arena. When I need to know what the market trends and analysis are, I count on Mr. Jamshid Samani to research the surrounding area and locate the right location for our business.

I have no hesitation in recommending the services of this company to you and if you have any questions about this letter please feel free to call me and we can discuss it.

Best regards,

Omid Irani

Chair of Persian Real Estate Services
